O R D E R

On March 2, 2006, Brandenburg Telephone Company, Inc. ("Brandenburg") and NPCR, Inc. ("NPCR") submitted to the Commission their joint request for expedited approval of an agreement for facilities-based network interconnection for transport and termination of telecommunications traffic. Their agreement was negotiated pursuant to the Telecommunications Act of 1996, 47 U.S.C. §§ 251 and 252.

The Commission has reviewed the agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the request of NPCR and Brandenburg for expedited approval of their proposed agreement is granted effective the date of this Order.

Done at Frankfort, Kentucky, this 22nd day of March, 2006.
